

All Around

Around Archway...

Hope and Discover

Knock! Knock! Who's there... hello? Who's there? Hello..? The Hope and Discover program must still be closed, no one is responding.

That's right; we are still temporarily closed due to the covid-19 health matter. But we are still here, and we are in a comeback planning phase. While we have not set a hard or definitive date, we can be definite about a few things.

- We miss our kids/clients
- We know that safety is first above all
- We will have protocols in place to increase health and safety practices and awareness
- Our staff will be trained or refreshed on policies and protocols surrounding infectious disease control

Hopefully the next time there is a Knock-Knock, there will be a who's the there... Hope and Discover! Hope and Discover who? I hope you discovered that we are back and here to serve you.

Otherwise we continue to serve our families via telehealth services (including Zoom and Facetime).

Carebridge EAP

Did you know that our Carebridge EAP program provides assistance with child care services such as:

- Backup Care Arrangements
- In-Home Care Arrangements
- Family Day Care Arrangements
- Child Care Center Arrangements
- Before/After School Care
- Child Care Transportation Linkages
- Summer Care Arrangements
- Sources of Subsidy/Financial Assistance
- Information on Child Development/Parenting
- Adoption Information
- College Planning

Did you also know that Carebridge is available to all employees, their spouses and children at no cost?

For EAP assistance call 800-437-0911 or visit www.myliferesource.com. Our access code is SAAA9.

Required Training

For employees who work in our schools, DD programs, Step By Step and Administrative offices, please remember to complete your online Clarity Net training. There are three courses in Clarity Net that **everyone must take before returning to work**: Infection Control, Pause for Performance: Handwashing and Universal Precautions Against Infection. You can take these courses anytime as long as they are completed before we reopen the office.

Don't forget – you must also complete the other trainings that are listed in Clarity Net. This includes Back Safety, Fire Safety, Diversity, etc. Those are required, not optional.

[Click here](#) for the link to complete the online Clarity Net training. If you don't know your username or password please e-mail me at denise.milazzo@archwayprograms.org.
